

LEAVE WHAT YOU CAN...

Community Produce Stand

...TAKE WHAT YOU NEED

Don't be shy! Anything you share is one less thing going to landfill - and by taking produce home, you combat food waste.

What food can I leave at the stand?

Fresh fruit & veg

Herbs

Eggs

Jams and preserves

Bread and baked goods

- Jams, preserves and all baking products must be in a sealed container with the ingredients and date clearly labelled.
- Eggs need to display the date they were collected.
- We DO NOT accept any cooked food, meat, dairy, pet food, clothes or household items. Non-perishables can be donated to the Community Networks Foodbank.
